The success story of the nr 1 Dance Music Channel

"With the help of Dancefoundation, the Armada Music YouTube channel has grown out to be the number one Dance Music Channel in the world, with over 400.000 daily profile views and more than 45.000 subscribers staying up to date on our music videos, interviews and reports. YouTube is of big importance to our label, as it communicates our music through new media, provided by Dancefoundation, directly to our target of dance lovers."

Maykel Piron, Managing Director Armada Music
